### **Evolux™ Fleece Jacket 8931/9931**

Luxurious and incredibly soft 14.75 oz/lyd Evolux filament polyester fleece with an anti-pill finish, unlined. Black, water-resistant Optima Taslan Nylon accents on the chest, back, sleeves and storm flap. Open hem with shockcord drawstring. Black zippers and knit binding at cuffs. ESP System (Embroidery Stow-away Pocket) for decorating access. Youth sizes available, style 8931.

Unisex Sizes XS–3XL

### **Evolux™ Fleece Vest 9527**

Luxurious and incredibly soft 14.75 oz/lyd Evolux filament polyester fleece with an anti-pill finish, unlined. Micromesh accents on sides of vest and around collar. Black knit binding at arm openings and hem. On-seam zippered pockets.

Unisex Sizes XS–3XL

### **Evolution Microfleece Jacket 9588**

Our technical HyBond microfleece is made from two layers of anti-pill fleece bonded together and providing warmth without the bulk. Low pile fleece surface can be screen printing or embroidered. Open cuffs and hem. Zippered side pockets and inside valuables pocket.

Unisex Sizes XS–3XL

### **Women's Evolution Microfleece Jacket 5788**

Our technical HyBond microfleece is made from two layers of anti-pill fleece bonded together and providing warmth without the bulk. Low pile fleece surface can be screen printing or embroidered. Open cuffs and hem. Zippered side pockets and inside valuables pocket. Fitted styling.

Women's Sizes XS-2XL

### **The Sherpa Hooded Sweatshirt 9848**

A rugged hooded sweatshirt lined with warm sherpa fleece. 75% cotton / 25% polyester Duratex knit 9.4 oz/sq yd (equivalent to 15.7 oz/lyd) lined with anti-pill sherpa fleece 8 oz/sq yd (equivalent to 11.3 oz/lyd) with jersey in the sleeves. Front pouch-like pockets contain a hidden cell phone pocket. Tru-2-Size fit specifically designed slightly larger to accommodate shrinkage after washing. Full-zip design with drawstrings at the hood. Rib knit cuffs and hem.

Unisex Sizes XS–4XL

### **Women's Wicking Crew Neck Tee 2830**

100% polyester pique knit with [TopShield™](#) moisture management. [TopShield™](#) fabric wicks moisture away from the body. This fabric also resists wrinkling and is screen print & embroidery friendly. [TopShield™](#) fabric features an antimicrobial treatment that inhibits the growth of odor causing bacteria.

Crew neckline finished with self binding for comfort. Set-in sleeve design. Coverstitched armhole seams for added durability and strength. Tagless neck labeling for comfort.

Women's Sizes XS–3XL

### **Men's Solid Wicking Tee 3830**

100% polyester pique knit with [TopShield™](#) moisture management. [TopShield™](#) fabric wicks moisture away from the body. This fabric also resists wrinkling and is screen print & embroidery friendly. [TopShield™](#) fabric features an antimicrobial treatment that inhibits the growth of odor causing bacteria.

Crew neckline finished with self binding for comfort. Set-in sleeve design. Coverstitched armhole seams for added durability and strength. Tagless neck labeling for comfort.

Men's Sizes S–5XL
